According to advice from HARE [ZAYaTs][1] RADIO ANNOUNCER [DIKTOR][11] [D% has finished] a project for the organization of a branch of the IZBA[111] for obtaining strategic information in Europe in the post war period. The dispatch of IZBA people to SIDON[iv] for this purpose is expected shortly. HARE expects to be sent temporarily to SIDON in January.

The IZBA refused to organise an information centre in the PROVINCES[v] at this time therefore HARE's trip there fell through.

To VIKTOR[v1]

LILY [LILIYa][v11] has returned to TYRE [TIR][v111]. According to a report from BECK [BEK][ix] she is extremely dissatisfied with the prolonged absence of liaison[.] It is known that TIMOSHKEK has arrived in TYRE and is keeping in touch with LILY. In BECK's opinion L.[x] could now be useful. We think that BECK could without risk be permitted to take L. into [C% direct] liaison. He knows her short comings and definitely promises to treat her very firmly. Please sanction.
